CHAPTER TITLE ADMINISTRATION		RESOURCES		
SUBJECT RECORDS MANAGEMENT		CROSS REFERENCE		

I. Purpose:

The purpose of this policy is to establish the procedures for entering and maintaining the reports and records for the Sarpy County Sheriff's Office.

II. Policy:

Record keeping is an integral part of any law enforcement operation. It is of the utmost importance that the records of the Sheriff's Office be held in strict confidence and that the records be maintained completely and accurately. Procedures shall be established to ensure reports are reviewed for accuracy and maintained to allow for rapid retrieval.

III. Procedure:

A. Records Privacy and Security:

1. Access to computer records is protected though the use of authorization permissions and passwords. Access to physical records is protected by the use of physical locks.

2. Authorized personnel have access to records at all times.

3. Active investigation reports shall not be released. Subpoenas are needed for all records request, with approval from the County Attorney's Office. Verification of loss reports for theft cases may be released to involved parties and/or his or her insurance company or attorney.

B. Juvenile records:

1. Juvenile records at the Sarpy County Sheriff's Office are identified by "Contains Juvenile Information" printed in red ink in the top right corner of the front page of the report.

2. Juvenile Services will be responsible for collecting juvenile fingerprints and photographs. The Sarpy County Sheriff's Office does not collect, maintain, or disseminate other forms of juvenile identification.

3. Physical Security and Access to juvenile confidential information.

   a) Juvenile records at the Juvenile Justice Center are restricted to employees within the JJC who have a job that necessitates access.

   b) Juvenile records on the Nebraska Criminal Justice Information System website are restricted to individuals who have a job that necessitates access.

4. The records of juveniles who have reached the age of majority are maintained and disseminated according to the same policies and procedures as juvenile records.

5. Upon receipt of an Order to Seal, the Records Unit shall verify appropriate juvenile records to be sealed and will update RMS and NCJIS.

C. **Crash Reports:** Crash reports are submitted by deputy through TRACs program and automatically uploaded to State's repository collection site.

1. Crash reports are extracted from the State site and saved to the "NOMAD/Sheriff/Shared/RECORDS/Crash Reports" folder.

2. Crash reports are then extracted from the Crash Reports folder, entered into RMS Traffic Report module, and the crash report in PDF form is saved to the RMS Traffic Report's "Documents" tab.

3. Crash reports are emailed to CarFax once the driver's license, and date of birth are redacted.

4. Personal Injury crash and crash reports with citations are sent through the DA Package in ProPhoenix.

D. **Offense/Information/Arrest Reports:** A report coversheet is submitted to the transcription unit along with a narrative which is handwritten, dictated, or emailed. Upon receipt of a report, the transcription unit shall:

E. Enter the information from the report coversheet into RMS

F. Type dictated or handwritten narratives

G. Enter emailed or typed narratives into ProPhoenix.

H. Attach any pertinent documents (i.e., statements, receipts, DUI paperwork, citations, etc.) into the "attachment" tab of the ProPhoenix entry.

I. Printout copy to send to the supervisor and reporting deputy for approval.

J. Maintain Incident Reporting with date report was given to supervisor, typed in red, and dated logged back in when signed approved, copy in green, is returned. Reports can then be shredded.

K. Incident Reports are work flowed to Investigations.

L. Arrest reports along with other requested reports are DA Packaged to the County Attorney's Office.

IV. **Citations:** Citations are submitted by deputy through TRACs program and automatically uploaded to NSP's portal and NCJIS. In some instance, a handwritten citation may also be submitted by deputy to Records Staff Support.

1. TRACs citations are extracted from the State repository collection site and saved to the "NOMAD/Sheriff/Shared/RECORDS/Citations-Warnings" folder.

2. TRACs citations are then extracted from the Citations-Warnings folder and entered into ProPhoenix.

3. TRACs citations can then be shredded as the County Attorney's Office conducts their own retrieval process through NCJIS.

4. Handwritten citations are entered into ProPhoenix and the forwarded to the County Attorney's Office via DA Package.

V. **Citation Management:** Paper citations shall be stored in a secure area in the administrative area and issued to deputies upon request. A log sheet shall be maintained, and all citation books issued shall be documented. When a request is received from a deputy for a new citation book, the following procedure will be followed:

A. An entry will be made on the log sheet documenting the date, starting citation,

ending citation, the deputy the citation book is to be issued to, and who issued the citation book. This information will also be written on the cover of the citation book.

B. The citation book will be issued to the deputy.

C. The deputy is responsible for all citations in the book. If a citation needs to be voided or is otherwise unusable, the deputy will make a notation on the cover of the logbook with the date, citation number, and reason. The unusable citation will be given to the deputy's supervisor, along with the citation book. The supervisor will sign the entry on the citation book and then destroy the unusable citation.

D. If a deputy loses a citation book, an incident report shall be completed. (See G- 4100 County Property and Equipment).

E. When the citation book is empty, the deputy shall turn it back in to the records clerk, who will make an entry on the citation log that the citation book was returned. A record will be kept of all un-issued citations from the book.

F. If the deputy resigns/retires, the citation book must be turned in to an Administrative Commander.

VI. **Sealing of Records:** Upon receipt of an Order to Seal, the Records Unit will verify appropriate records to be sealed and will update ProPhoenix and NCJIS. Anything current is filed until we can seal in ProPhoenix.

VII. **Scanning:** All documents shall be scanned to NOMAD/Sheriff/Shared into the appropriate folder.
