CHAPTER TITLE ADMINISTRATION		RESOURCES		
SUBJECT ADMINISTRATION OFFICE EMERGENCY PLANS		CROSS REFERENCE P-4420 EXPLOSIVE DEVICES		

I. Purpose:

The purpose of this policy is to establish the emergency procedures for the Sarpy County Sheriff's Office.

II. Policy:

The Assigned Duty Commander (ADC) shall have primary responsibility for the safety and security of the Sarpy County Sheriff's Office during emergency situations. Emergency plans shall be implemented in a safe, orderly and secure manner to ensure the safety of the public and county employees. All employees shall familiarize themselves with the emergency plans.

III. Procedures:

A. General Procedures: During an emergency at the Sarpy County Sheriff's Office, the following procedures shall be adhered to:

1. The ADC shall be responsible for ensuring all procedures are implemented and all personnel and visitors are accounted for. In the absence of the ADC, the emergency procedures shall be the responsibility of the following, in order of precedence:

a) Administrative Commander
b) Assistant Administrative Commander
c) Professional Standards Unit Commander

2. The ADC, or his or her designee, shall ensure the Jail Facility Administrator and the on-duty jail supervisor are notified of any emergency situation at the Sarpy County Sheriff's Office.

B. Fire/Fire Alarm:

1. General:

a) Any employee detecting a fire should immediately contact Communications. This should be done prior to or simultaneous to any attempt to fight the fire.

b) Fire and Rescue services shall be coordinated with the Papillion Fire Department.

c) ABC fire extinguishers are available throughout the Sarpy County Sheriff's Office and shall be used according to the attached instructions. Fire extinguishers should only be used for newly started or small fires.

d) In case of a fire, the Papillion Fire Department should be requested even if the fire has been extinguished.

2. ADC Responsibilities: The ADC shall ensure all of the following procedures are adhered to:

a) The ADC shall assign a deputy or staff member to ensure no one is allowed to enter the Sarpy County Sheriff's Office.

b) The ADC should direct all individuals to exit the building. The ADC or his or her designee should make this notification over the public address system.

c) The ADC shall assign deputies to all exits to ensure safe and efficient evacuation and prevent unauthorized entry to the Sarpy County Sheriff's Office.

d) The ADC shall assign deputies to provide perimeter security for the Sarpy County Sheriff's Office until advised to return to the building.

e) The ADC shall ensure total evacuation of all persons prior to exiting the building.

f) The ADC may request additional assistance from the Investigation Division, Road Patrol Division, the Court Services Unit and/or local law enforcement.

g) The ADC shall communicate with fire department personnel and determine when it is safe to return to the Sarpy County Sheriff's Office.

C. **Tornado Watch:** When the National Weather Service issues a tornado watch for Sarpy County, Sarpy County Communications shall make an announcement via the public address system. When a watch is issued, the ADC shall be responsible for the following:

1. Ensuring all personnel inside the Sarpy County Sheriff's Office are informed of the situation.

2. Assign an employee to locate all visitors, notify them of the watch.

3. Ensure a notice informing the public that the Sheriff's Office is currently under a tornado watch is posted on the main entrance doors.

D. **Tornado Warning:** When a tornado warning is issued by the National Weather Service, all Sheriff's Office personnel and visitors shall seek shelter immediately.

1. **General:**

a) When the National Weather Service issues a tornado warning for Sarpy County, Sarpy County Communications shall make an announcement via the public address system.

b) If time permits, all persons in the Sarpy County Sheriff's Office shall be directed to the Road Patrol Assembly Room /Tornado Shelter. Visitors shall be required to seek shelter or leave the Sarpy County Sheriff's Office.

c) If time does not permit, all persons should be directed to go to the most interior wall and sit or lie under desks or heavy furniture. Exterior walls, especially windows, should be avoided.

d) Fleet Services may also be utilizing the Sheriff's Office during the event of a tornado and will have access to the employee entrances.

2. **ADC Responsibilities:** Prior to seeking shelter, time permitting, the ADC shall:

a) Ensure all personnel and visitors are aware of the tornado warning.

b) Direct persons to the shelter area located in the Road Patrol Assembly Room/Tornado Shelter.

c) Direct the receptionist to transfer all incoming calls to the Road Patrol Assembly Room/Tornado Shelter.

d) Assign personnel to search the Sarpy County Sheriff's Office to ensure that all personnel and visitors have been moved to the designated shelter.

e) Ensure the Main Entrance doors are closed, but not secured.

f) Ensure the employee entrance located on the southeast side of the building (double doors) is unlocked. These doors are to remain unlocked until the tornado warning has been cancelled.

g) Ensure the employee entrance located on the southwest side of the building (administration entrance) remains locked.

h) Designate an employee to take a roll-call/count of all personnel/visitors present. Personnel/visitors shall remain in the Road Patrol Assembly Room/Tornado Shelter until the tornado warning has been cancelled.

i) After the warning has been cancelled the ADC shall determine when it is safe to exit the Road Patrol Assembly Room/Tornado Shelter. Once this has been determined the ADC shall:

(1) Direct the receptionist to announce via the public address system that the tornado warning has been cancelled.
(2) Ensure all personnel/visitors have been accounted for.
(3) Designate an employee to assess the building to determine if damage was done.
(4) Ensure the building has been re-secured as soon as possible.

E. Bomb Threat:

1. Receipt of Bomb Threat by Phone-Employee Responsibilities:

a) Upon receiving a phone call regarding a bomb threat, the employee shall immediately begin to complete a Bomb Threat Checklist. The employee shall make every effort to obtain as much information as possible.

b) If possible, the employee should alert another employee to monitor the call and assist in gathering information.

c) The employee shall request the location of the bomb and the time of detonation, if that information has not been provided.

d) The employee shall advise the caller that the building is occupied and the detonation of a bomb could result in the injury or death of innocent people.

e) Particular attention should be paid to any background noise which may provide information regarding the origin of the phone call.

f) The ADC shall be notified immediately by telephone upon the receipt of a bomb threat. Employees should avoid using portable radios.

2. ADC Responsibilities:

a) The ADC shall form search teams consisting of two deputies and assign each search team a specific area.

(1) If on-duty personnel are not sufficient to conduct a thorough search, additional personnel, including road patrol, investigations, and court services, shall be requested.

(2) Search teams shall initially focus on areas of public access.

b) Depending upon the perceived credibility of the threat, they may determine the need to evacuate the Sarpy County Sheriff's Office.

(1) If evacuation is implemented, The ADC or his or her designee should make this notification over the public address system.

(2) The ADC shall advise all personnel to go to the area to the West of the Sarpy County Sheriff's and to avoid the parking lot.

(3) The ADC shall assign deputies to ensure all offices and locations are evacuated.

(4) The ADC shall assign deputies to all exits to ensure safe and efficient evacuation and prevent unauthorized entry to the Sarpy County Sheriff's Office.

(5) The ADC shall assign deputies to provide perimeter security for the Sarpy County Sheriff's Office until advised to return to the building.

c) If no device is found by the search teams, the ADC shall resume normal operations.

d) If a suspect device is located, the ADC shall:

(1) If necessary, the ADC shall request emergency fire and rescue respond.

(2) The ADC shall request Communications contact the Omaha Police Department's Bomb Response Team and request they respond to the scene.

(3) The ADC shall evacuate the area where the device is located, if necessary.

(4) The ADC shall assign a deputy(s) to escort and assist the Bomb Response Team as requested.

(5) The ADC shall request the on-call investigator respond.

3. Search Team Responsibilities:

a) The area assigned to be searched shall be divided in half. Each deputy shall be responsible for searching half of the area. When each deputy has completed his or her half, the deputies shall switch areas and search the other half of the area.

b) When an assigned area has been searched, the ADC shall be notified and may assign the search team to another area.

c) Search teams shall proceed as above until all assigned areas have been thoroughly searched, or until directed by the Administrative Commander.

d) In the event a suspect device is located:

(1) The device shall not be disturbed.

(2) The ADC shall be immediately notified.

(3) The immediate area shall be evacuated, at the direction of the Administrative Commander.

(4) Searchers shall remain near the area to ensure that the device is not approached or disturbed, except by authorized personnel.

(5) Upon the arrival of the bomb disposal unit, the searchers shall assist as requested until the device is removed or disarmed.
