SUBJECT SHERIFF'S OFFICE PARKING	CROSS REFERENCE			

I. Purpose:

The purpose of this policy is to establish procedures for parking department and personal vehicles at the Sarpy County Sheriff's Office.

II. Policy:

The Sarpy County Sheriff's Office shall establish specific locations for parking both department and personal vehicles. Staff shall only park in designated locations. An employee may only park in a reserved stall if so assigned or if permitted by the employee assigned to the reserved stall.

III. Procedures:

A. Sheriff's Office Vehicles: Sheriff's Office vehicles shall be parked in designated areas (see diagram below). Generally, if a Sheriff's Office vehicle is awaiting maintenance it shall be backed into a parking stall.

B. Personal Vehicles: Personally owned vehicles shall be parked in the "open" parking area unless an individual is assigned a reserved stall (see diagram below).

C. Snow Removal: After snow fall, it shall be the responsibility of each divisions command officers to ensure all department vehicles are moved to the "open" parking area to allow for snow removal. After the department vehicle assigned parking stalls have been cleared, department vehicles shall be returned to their cleared, assigned stalls.
