CHAPTER TITLE ADMINISTRATION		RESOURCES		
SUBJECT COMMUNITY ROOM		CROSS REFERENCE		

I. Purpose:

The purpose of this policy is to establish the guidelines for use of the Community Room within the Sarpy County Sheriff's Office.

II. Policy:

The Community Room is available to law enforcement/criminal justice agencies and other county departments for the purpose of holding meetings and/or training. The use of the Community Room shall be scheduled on an "as available" basis and shall be restricted to law enforcement/criminal justice agencies and other county sponsored events.

III. Procedure:

A. All Community Room events/functions shall be facilitated by a Sarpy County Sheriff's Office employee or a previously approved representative of the requesting agency/department. This representative shall be present during the event/function and shall be responsible for:

1. Event scheduling.
2. Care/maintenance of the room.
3. Proper care and use of equipment utilized.
4. Providing refreshments, if desired.
5. Assuring all Community Room rules are followed.
6. Ensure that the Community Room is returned to its original configuration.

B. Any person/groups wishing to utilize the Community Room shall make a request by contacting the Office Manager or his or her designee. The Office Manager or his or her designee shall insure the availability and document reservations on the Community Room Schedule. Scheduling shall be made with the understanding

that department operational requirements shall take precedence over other scheduled events. If necessary, the Sheriff's Office may cancel scheduled events in order to accommodate necessary operational purposes of the Sarpy County Sheriff's Office.

C. All requests to utilize the Community Room shall be subject to the approval of the Administrative Commander or his designee.

D. Requests regarding utilizing the Community Room during non-business hours shall be subject to the approval of the Administrative Commander or his designee. It shall be the responsibility of the requesting agency/group to coordinate the unlocking/locking of the doors to the Sheriff's Office and/or Community Room.

E. **Audiovisual Requests:** Should audiovisual capabilities be needed; arrangements shall be made prior to the event/function. It shall be the requester's responsibility to contact Information Systems Management to make specific requests.

F. **Food and Beverages:**

1. Those using the Community Room may utilize the kitchen area including coffee maker, microwave oven, and refrigerator during the scheduled event/function. These shall be cleaned, and the coffeemaker powered off at the conclusion of the event/function.

2. All food, beverage and condiment items shall be removed at the conclusion of the event/function. No items shall be left in the Community Room without prior approval of the Sheriff or his designee. Items left in the Community Room will be disposed of.

3. It shall be the responsibility of those utilizing the Community Room to provide all paper/plastic supplies needed for the event/function.

G. **Care for Room:**

1. The Community Room may be configured to meet the needs of those utilizing it. At the completion of the event/function the room shall be returned to its original configuration (see diagram A).

2. The Community Room is a non-smoking room.

3. Alcohol consumption within the Community Room is strictly prohibited.

4. All trash/recyclables shall be placed in the appropriate receptacles.

H. **Cancellations:** In the event the need arises to cancel a reservation for the Community Room please contact the Officer Manager or his or her designee as soon as possible.

I. **Conference Room Scheduling Group Procedures:** Upon receiving a Community Room Request form, the scheduler (Office Manager/Designee) shall determine if the request is from a Sheriff's Office employee (internal) or from a non-Sheriff's Office employee (external).

1. **Internal Requests for Community Room:** The scheduler shall check the Community/Conference Room Calendar and determine if the date(s) and time(s) the room is being requested is available. If the Community Room is available, the scheduler shall:

a) List the request on the Community Room Calendar, including the time the room is requested.

b) Notify the requester the Community Room has been reserved per their request.

2. **External Requests for Community Room:** The scheduler shall check the Community/Conference Room Calendar and determine if the date(s) and time(s) the room is being requested is available. If the Community Room is available, the scheduler shall:

a) List the request on the Community Room Calendar, including the time the room is requested as *pending*.

b) The Community Room Request form shall be printed and submitted to the Administration Commander or his designee for review.

c) If the request is approved the scheduler shall:

(1) Update the Community Room Calendar and remove the word pending.

(2) Notify the requester the Community Room has been reserved per their request.

d) If the request is denied the scheduler shall:

(1) Remove the pending request from the Community Room calendar.

(2) Notify the requester the request has been denied.
