CHAPTER TITLE AUXILIARY UNITS: DIGITAL FORENSICS UNIT		RESOURCES		
SUBJECT DIGITAL FORENSICS UNIT STRUCTURE		CROSS REFERENCE G-1220 CHAIN OF COMMAND G-5230 TRANSFER AND ASSIGNMENT		

I. Purpose:

The purpose of this policy is to establish the direct lines of supervision and responsibility for the Digital Forensics Unit and to establish the chain of command.

II. Policy:

A. The Digital Forensics Unit (DFU) shall be under the direct command of the Digital Forensics Unit Commander. The DFU Commander shall be appointed by the Sheriff.

B. The DFU may have a Team Leader, who is under the command of the DFU Commander. The DFU Team Leader shall be appointed by the DFU Commander.

C. In the absence of the DFU Commander, the DFU Team Leader shall be in command of the Unit.

D. Individual Digital Forensics Unit members may be assigned supervision over other unit members during incidents and training. This assignment shall be made by the Team Leader or Commander. This assignment may be made without regard to formal rank and those DFU members placed under the supervision of another DFU member shall follow the direction of that individual in accordance with Sheriff's Office policies regardless of rank (see G-1220 Chain of Command).

E. Deputies selected for an assignment to the Digital Forensics Unit shall do so on a part-time basis with, or beyond, the normally assigned duties of their position. As such, supervision for day-to-day activities shall be provided within the chain of command of those deputies' assigned divisions.

F. Participation of DFU members in DFU-related training is necessary for the maintenance of skills and techniques. Timely notification shall be given to immediate supervisors of upcoming training.

G. **DFU Member Selection:** see also G-5230 Transfer and Assignment.

1. Minimum Requirements: The following requirements must be met to apply for a position in the Digital Forensics Unit.

a) Must have at least one (1) year of experience with the Sarpy County Sheriff's Office.

b) Must be highly self-motivated and able to work individually and as a team.

c) Must be willing to perform DFU tasks outside normal working hours, as caseload dictates.

d) Must possess a good sense of technology and the analysis of its data and nomenclature.

2. Training: An applicant must complete certifications in various software and analysis to remain members of the Digital Forensics Unit.
