CHAPTER TITLE AUXILIARY UNITS: SPECIAL WEAPONS AND TACTICS	RESOURCES			
SUBJECT SWAT OPERATIONS AND TRAINING		CROSS-REFERENCE		

I. Purpose:

The purpose of this policy is to establish guidelines for SWAT operations during deployments and training.

II. Policy:

The Special Weapons and Tactics Team (SWAT) is designed to act as a tactical team in conjunction with other emergency service operations during high risk and emergency situations. SWAT shall function under all policies and procedures established in the Sarpy SWAT Manual, including all appropriate use of force policies. The operations of the SWAT Team, including training, shall be controlled by policy and procedure and closely supervised by the SWAT Team Leadership.

III. Procedure:

A. Training: Law enforcement personnel assigned to the SWAT Team shall receive appropriate specialized training on a monthly basis. The training program shall be developed by the Team Leaders and approved by the SWAT Team Command.

1. Per SWAT Advisory Board on 1/29/24, SWAT Team breachers are allotted eight (8) hours of training, quarterly, to maintain skill proficiency. SWAT Team snipers train an additional eight (8) hours monthly.

2. SWAT Team training shall be conducted twice per month. All SWAT Team members are required to attend training. If a member is unable to attend training, a Team Leader must be notified prior to the training date and provided the reason the member will be unable to attend training. SWAT leadership will document the absence and forward the information to the team member's agency liaison.

3. SWAT firearms training shall be conducted monthly. During firearms training, deputies shall demonstrate proficiency with all firearms associated with their SWAT Team duties.

4. Team Leaders shall document each training exercise with a lesson plan of the training presented and a list of all attending members. The documentation shall be maintained by the SWAT Command and a copy shall be forwarded to the training liaisons for the Sarpy agencies.

5. As part of SWAT training, all personal and team equipment shall be inspected and inventoried. This inspection shall occur at least annually. The Team Leaders or designee shall maintain a team equipment inventory.

B. **Operations:** During deployments, SWAT Command shall oversee and direct the team. The Team Leaders shall be responsible for tactical planning, implementation, and direct supervision of the unit.

1. During deployments, all deputies, law enforcement officers, and tactical medics involved in tactical operations (e.g., perimeter positions, traffic control, etc.) shall obey the direction of the SWAT Commander and/or Team Leaders.

2. Any time the SWAT Team is deployed, the Sheriff, Chief Deputy, Chiefs of Police and ADC shall be notified by the SWAT Commander/Supervisor.

3. Generally, the SWAT Team shall be responsible for inner perimeter positions. SWAT Team members shall replace patrol deputies or other law enforcement officers maintaining inner perimeter positions as soon as possible.

4. Chemical munitions may only be deployed with permission from SWAT Team Command or Team Leaders.

5. The SWAT Team Command shall have the authority, upon consultation with the Team Leaders, to request Omaha Police Emergency Response Unit or the Nebraska State Patrol Special Weapons and Tactics Team be activated to respond to any incident in place of or to relieve the Sarpy County SWAT Team. The SWAT Team Commander shall notify the Sheriff and ADC and/or Chiefs of Police if another agency's tactical team is utilized.

6. Upon resolution of the deployment, SWAT Team members involved shall complete an after-action report.

7. At the conclusion of the incident the SWAT Commander/Supervisor shall notify the ADC that the incident/deployment is over. The SWAT

Commander/Supervisor shall provide the ADC with the details surrounding the incident.

C. **Distraction Devices:** Only distraction devices approved by the SWAT Team Command shall be used during tactical deployment.

1. All SWAT Team members assigned to utilize distraction devices during deployments shall have successfully completed written and practical examinations pertaining to proper use and deployment of such devices. The SWAT Team Command and Team Leaders shall be responsible for the development of testing and certification procedures.

2. All training involving the use of live distraction devices shall be monitored by the SWAT Team Command and/or the Team Leader.

3. The SWAT Team Command or Team Leaders may authorize the deployment of distraction devices. .

4. Distraction devices may be used when it is necessary to enable an entry to be made or to affect an arrest. The decision to use a distraction device must be made based on the safety priorities in relation to the inherent dangers created by the distraction device's use. The devices shall not be used solely for the purpose of preserving items of evidentiary value.

5. Generally, distraction devices shall not be used under the following conditions:

a) Small children known to be present.
b) The location is suspected to contain a clandestine laboratory.
c) The location is known to contain flammable materials.
