CHAPTER TITLE COURT SERVICES		RESOURCES		
SUBJECT COURT SERVICES TECHNICAL SUPPORT DEPUTY		CROSS REFERENCE G-5140 Deputy (General) G-5230 Transfer and Assignment.		

I. Purpose:

The purpose of this policy is to provide a job description for the position of Court Security and Transportation Unit Technical Support Deputy.

II. Policy:

The position of Court Security and Transportation Unit Technical Support Deputy is responsible for design, installation, operation, and management of the 1102 Building and Court House Security Equipment.

The Court Security and Transportation Unit Technical Support Deputy is also responsible for performing all essential functions, and possessing the knowledge, skills, minimum requirements and abilities required of the position of Court Security and Transportation Unit Deputy.

A. SUPERVISION RECEIVED:

The Court Security and Transportation Unit Deputy functions under the close supervision and direction of the Court Security and Transportation Unit Supervisor.

B. SUPERVISION EXERCISED:

If directed by the Court Security and Transportation Unit Supervisor, may be assigned supervision of Entry Security Officers.

C. ESSENTIAL DUTIES AND RESPONSIBILITIES:

Oversee the daily operations of the controlled access and video surveillance systems at the Sarpy County Government Campus, the Sarpy County Sheriff's Office, the

1102 Building and the panic alarm systems at the County Courthouse Complex. Coordinate or perform maintenance repairs, and upgrade of those electronic security systems and software; to include research and coordination of system design and upgrade. Coordinate service or perform minor repairs of Screening Checkpoint metal detector and x-ray examination machines.

Operation of the controlled access system, DSX shall include:

- Review any system alarms taking corrective action, if applicable.
- Troubleshoot equipment issues, repair when capable, and coordinate service as needed.
- Generate and review denied access report; investigate any occurrences as needed.
- Maintain cardholder / photo ID records for all county employees.
- Create, program, and issuance of direct print access or identification cards as directed.
- Backup database and history for DSX Access Control System.
- Create, modify and assign access levels and hours for users and devices.
- Create and modify ID badge templates.
- Generate monthly and as requested, records for card access for sensitive areas and photo IDs issued.
- Conduct quarterly audits of cardholders to ensure active/needed.
- Program devices, inputs and outputs for DSX Access Control System.
- Maintain / order consumables for keycard and photo IDs.

Operation of the Video Management System (VMS), Genetec Omnicast, shall include:

- Check VMS for camera operation, system health and adequate storage, daily; coordinate with County Information Systems for video server management.
- Maintains surveillance cameras and recording software, coordinating with venders when cameras or other software is not working. Provides input regarding purchase and installation of surveillance cameras.

- Monitor camera metrics for bandwidth usage, recording events, and adjust as needed.
- Check for and apply as available firmware updates for cameras.
- Comply with legitimate video surveillance requests by determining if recordings exist, recover, and duplicate recording for evidentiary purposes.
- Install, configure, modify, and add users to Security Desk software to allow viewing, manipulation and recovering of recordings from remote workstations related to the Video Management System.

Operation of the wireless duress alarm system, Centurion, shall include:

- Maintain record of locations of equipment and sensors for Centurion Wireless Duress Alarm System.
- Verify Centurion alarm system integrity daily, and physically test all sensors monthly.
- Allocate sensors / messages as needed for Centurion Alarm System.
- Order replacement / new sensors for alarm system.
- Maintain / order consumables for alarm system.
- Replace alarm system sensor batteries upon low battery indication.
- Check alarm system back-up batteries annually, replace as needed.
- Ensure placement or relocate alarm sensors at user's request.
- Instruct users on proper operation of sensor and explain system operation.
- Troubleshoot any Centurion Alarm System errors and correct or request replacement/repair.

Maintenance of the checkpoint screening equipment shall include:

- Daily verification of records for x-ray machines including proper system self-test and operation.
- Coordinate extended service contract and PMI Radiation Survey on x-ray machines.

- Troubleshoot problems and coordinate service related to x-ray machines and metal detectors.

D. PERIPHERAL DUTIES:

- All other duties required of Court Services Deputy.
- Serves as a member of specialty units, as assigned.
- Provides training, as assigned.
- Other duties as assigned.

E. MINIMUM QUALIFICATIONS:

See G-5140 Deputy (General)

F. NECESSARY KNOWLEDGE, SKILLS AND ABILITIES:

- Knowledge of modern law enforcement principles, procedures, techniques, and equipment;
- Knowledge of applicable laws, ordinances, and department rules and regulations;
- Ability to perform work requiring good physical condition;
- Ability to communicate effectively orally and in writing;
- Ability to exercise sound judgment in evaluating situations and in making decisions;
- Ability to follow verbal and written instructions; and
- Ability to use independent judgment in performance of duties.

G. Court Services Technical Support Deputy Selection: see also G-5230 Transfer and Assignment.

1. Minimum Requirements: The following requirements must be met to apply for a position as the Court Services Technical Support Deputy.

a) Must have at least two (2) years of experience as a deputy with the Sarpy County Sheriff's Office.

b) Must be assigned to the Court Services Division.

c) Must possess a degree/training in Controlled Access and Video Surveillance Systems or equivalent.

H. TOOLS AND EQUIPMENT USED:

See G-5140 Deputy (General)

I. WORK ENVIRONMENT/PHYSICAL DEMANDS:

See G-5140 Deputy (General)
