Only those employees with a current certificate of training issued by the Nebraska State Patrol may conduct inspections 60-183.

III. Procedures:

The individual must return to pickup the completed Motor Vehicle Identification Statement.

b) If a vehicle is found to have been reported stolen, the inspector shall notify the on-duty 1102 Building deputy or Sarpy County Communications and request a deputy ~~respond to~~ complete a report. The individual should be kept on location, if possible, prior to the deputy's arrival. Deputies shall refer to SOP P-3600 (Towing Procedures) for further information.

3. The inspector shall collect the inspection fee. If the inspection is completed at a business, an additional fee is obtained.

a) All collected fees shall be placed in the cash register. The register shall be locked any time the office is unattended.

b) At the end of each business day, a vehicle inspector shall take the collected fees to the County Treasurers Office. No more than one day's receipts will be held in the office.
