CHAPTER TITLE GENERAL	RESOURCES CALEA 46.2.7			
SUBJECT SPECIAL EVENTS	CROSS REFERENCE			

I. Purpose:

The purpose of this policy is to establish the guidelines for planning and managing special events and VIP visits.

II. Policy:

Providing security and law enforcement presence at Special Events is in the best interest of the public. Proper planning and event management, with the resources available, ensures the best possible outcome at an event. The Sheriff's Office may also provide non-emergency escorts, security, and other services for approved VIPs as appropriate.

III. Definitions:

Special Events: Any special activity, parade, carnival, athletic contest, festival, or any other event or activity that requires law enforcement services such as on-scene traffic and crowd control outside the scope of normal traffic and crime enforcement operations.

VIP: A "very important person," dignitary, famous personality, notorious person, or any other person who may potentially need special security.

IV. Procedure:

A. Special Events: The Sarpy County Sheriff's Office shall designate a deputy to oversee the agency's role in the special event detail.

1. The assigned deputy shall meet with any outside committee(s) and other Governmental entities, such as Engineering and the Department of Roads, to coordinate plans and exchange information.

2. If the Sarpy County Sheriff's Office is the primary agency for the event, a Special Events Plan shall be completed to include:

a) A written estimate to be used to make member and equipment allocation decisions. The written estimate shall include projections of:

(1) Traffic
(2) Crowd size
(3) Potential crime problems - to aid in controlling movement in the area and to prevent unexpected problems
(4) Number and type of deputies needed to oversee the event effectively and efficiently.
(5) Logistical requirements including, but not limited to, the number of barricades, barricade positioning, fixed post assignments, and any other relevant considerations that shall assist in smooth and effective operation.
(6) A list of authorized personnel permitted to cross police lines, including media, promoters, vendors, or VIPs.
(7) Communication procedures to be utilized during the event.

b) If the Sarpy County Sheriff's Office is a secondary agency for the event, a Special Events Plan shall be completed indicating the resources and assistance provided based on the role in the event.

c) The Sarpy County Sheriff's Office shall assist all cooperating entities in coordinating the traffic movement based on anticipated attendance, location, and time.

(1) When applicable, the route shall be carefully planned to allow for normal and emergency activities to continue with a minimal amount of disruption.

(2) Secondary streets shall be used to their maximum potential to ensure continued and uninterrupted traffic flow on primary streets and roads. This may include eliminating or restricting parking on primary and secondary roadways. Deputies may be assigned to key areas to assist with this.

(a) Emergency services (fire, law enforcement, ambulance) shall be provided unrestricted access from at least one direction.

(3) A Command Officer can determine if a Special Event Plan is required after considering the size and scope of the event.

B. VIP Security Plan:

1. The Sarpy County Sheriff's Office shall provide support to Federal, State, and local agencies with the security of VIP (Very Important Person) events within the immediate jurisdiction.

2. A Command Officer shall be responsible for commanding and/or coordinating all VIP security details.

a) The event shall be coordinated with the representatives of the VIP, involved Sarpy County Sheriff deputies, Sarpy County Communications, and all other involved Law Enforcement Agencies.

3. If the Sarpy County Sheriff's Office is the primary agency for the security detail, a VIP Security Plan shall be completed that shall include the following:

a) Security Coordination Information:

(1) The Sarpy County Sheriff liaison, a list of all agencies participating in the detail, and key contact information shall be included.

b) Equipment Needs:

(1) Special equipment needs such as, but not limited to, vehicles, weapons, body armor for the VIP personnel, radios, emergency medical packs, and medical aid units shall be identified.

c) Travel Routes:

(1) Primary and alternative travel routes shall be identified.

(a) The Commander shall ensure that all travel routes, venues, and facilities have been surveyed and inspected prior to and during the VIP security detail.

(2) Potential traffic impacts shall be identified.

d) Intelligence:

(1) The Commander shall designate specific deputies to gather and coordinate all existing intelligence information related to the safety and security of the VIP and the VIP Security Detail.

(a) Generally, this function shall be delegated to a Deputy assigned to the Investigations Division.

e) Inter-Intra Agency Coordination:

(1) The overall command of the detail shall be identified as well as key assignments.

f) Emergency First Aid, Ambulance, and Medical Facilities:

(1) Emergency first aid resources and procedures, ambulances, and key medical facilities shall be identified.

g) Communications:

(1) Event channels shall be designated and coordinated through
Sarpy County Communications
(2) 'Call signs' shall be designated for the event.
(3) Procedures for communication between cooperating agencies shall be identified.

4. Identification Procedures:

a) Procedures for the identification of deputies and other involved personnel shall be identified.

C. If the Sarpy County Sheriff's Office is a secondary agency for the event, a VIP Security Plan shall be completed indicating the resources and assistance provided based on the role in the detail.

D. Final Briefing:

1. Prior to the VIP security detail, a general briefing shall be held and include all deputies assigned to the detail.

a) All entities that shall be participating in the VIP security detail must attend the briefing, barring exigent circumstances.
b) This briefing shall review key information in the VIP Security Plan.

E. After Action Report:

1. An After-Action Report shall be completed for all Special Events and VIP Security Details.

2. The report shall be completed within 30 days after the event and include:

a) Deputies involved in the event.
b) If the Sarpy County Sheriff's Office was a secondary agency in the event, the report shall note the role played and the type of support provided.
c) Summary of the event.
d) Any significant actions taken.
e) Problem areas and actions taken to resolve those problems.
f) Recommendations.
g) List of equipment that need to be replenished, replaced, or repaired after the event.
