G. Failure to give proper care or attention on a task.

H. Failure to demonstrate appropriate safety tactics. This may apply to the employee or may be related to the safety of others.

I. Failure to carry out responsibilities and/or tasks due to a lack of courage. (Employees shall use sound judgment in dangerous situations and shall not needlessly put themselves in harm's way.)

VI. **Unsatisfactory Performance**:

A. Unsatisfactory performance of duties may be demonstrated by:
