INCIDENT REVIEW	G-2100 COMPLAINT PROCEDURE G-6120 USE OF FORCE RESULTING IN DEATH OR SERIOUS BODILY INJURY G-6110 USE OF FORCE REPORTING

I. Purpose:

The purpose of this policy is to establish procedures for completing incident reviews.

II. Policy:

The Sarpy County Sheriff's Office shall have a procedure for reviewing significant incidents to ensure appropriate actions were taken and appropriate policies and procedures are in place. Incident reviews shall be conducted when initial information does not indicate any significant policy or procedural violations. Incidents that clearly or likely involve significant policy or procedural violations shall be investigated as outlined in the complaint procedure (see G-2100 Complaint Procedure).

III. Procedures:

A. Incidents Requiring Review:

1. Use of Force (see G-6110 Use of Force Reporting)
2. Motor vehicle accidents where the employee does not appear to be at fault.
3. Pursuits (see Pursuit P-4100)
4. Discharge of a firearm by an employee, excluding firearm training, hunting, ballistic testing, and the destruction of animals.
5. Legitimate attempted suicide in the Jail or Juvenile Justice Center.
6. Death of an individual in the custody of Sheriff's Office.
7. Any incident requested by a command officer.

8. Any incident where documentation may be of value in future litigation.

B. Incident Review Procedure:

1. The Division Commander responsible for the incident shall assign one of the following to complete the incident review.

a) Supervisor
b) Division Command Officer
c) Investigations Division: Incident involves use of force involving death or serious bodily injury, incident involves an in-custody death or at the direction of the Sheriff if the incident may require significant investigation.

2. The employee assigned to complete the incident review shall create an electronic incident review file.

3. The assigned employee shall obtain a separate report number for the incident review on the date the employee is assigned to complete the review. This incident review report number shall be in addition to and related to the original report number for the incident, if applicable.

4. The assigned employee shall notify the Professional Standards Division of the initiation of the review (via email), including the names of the involved employees, report #, related report numbers, brief reason for the incident review (i.e. use of force) and the electronic file number (AIM#).

5. The assigned employee shall compile all related reports, photographs, videos and documentation for the electronic incident review file. If necessary, the assigned employee shall conduct interviews with the individuals involved in the incident and document those interviews.

6. The assigned employee shall complete an incident review summary form and add the summary to the electronic incident review file.

7. If during the review, the assigned employee discovers any significant violation of policy or procedure or potential criminal violations, a line investigation or formal complaint shall be initiated (see G-2100 Complaint procedure).

a) The assigned employee shall notify the Professional Standards Division of the discovery of policy violation and request the Incident Review be closed and a Line Investigation or Internal Affairs Investigation be initiated.

8. The completed electronic Incident Review file shall be forwarded to the Professional Standards Division.

9. Incident Reviews shall be completed within 30 days from the date the investigating Command Officer or supervisor becomes aware of the violation. Extensions may be approved by the Chief Deputy or Sheriff. When an extension is approved, the employee shall be given a status report regarding the investigation. Documentation of the extension request and the response shall be added to the electronic investigation file.

C. Incident Review by Command:

1. The Professional Standards Commander shall route the incident review file to the following individuals for review:

a) Division Command Officer
b) Division Commander
c) Chief Deputy
d) Sheriff

2. Any request for change in policy or procedure shall be submitted on an electronic SOP Creation/Modification form.

3. Any recommendation for staff training as a result of the review shall be forwarded to the Professional Standards Commander.

4. The Professional Standards Division shall notify the chain of command involved in the incident review, once the review has been complete.
