CHAPTER TITLE GENERAL	RESOURCES CALEA 35.1.9		
SUBJECT EARLY INTERVENTION SYSTEM (EIS)	CROSS REFERENCE		

I. Purpose:

The purpose of this policy is to establish the guidelines for an Early Intervention System.

II. Policy:

The Sarpy County Sheriff's Office is committed to providing professional service to the community. The implementation of an Early Intervention System is a tool to identify and assist employees whose performance may indicate the possibility of adverse job-related problems. Through the identification, intervention and correction of issues affecting an employee's job performance, the Sarpy County Sheriff's Office is able to retain good employees as well as maintain the standards outlined in its Core Values.

III. Definitions:

A. Administrative Investigations Management (AIM): Software used to collect and store data in electronic files.

B. Early Intervention System (EIS): Process to identify and correct unacceptable behavior.

IV. Procedure:

A. EIS Reporting Criteria

1. Selected criteria for the EIS include those events that have the potential to produce liability for the county, result in injury or death, or produce negative community attention.

2. EIS criteria includes, but is not limited to, complaints, damage to county property, pursuits, use of force, and performance issues.

B. Activation of EIS (Flag Response)

a) **Complaints:** 2 complaints within 60 calendar days.

b) **Damage to County Property:** 2 incidents within 60 calendar days.

c) **Pursuits:** 2 pursuits within 180 calendar days

d) **Use of Force:** 2 incidents within 60 calendar days.

C. Review

1. When the AIM EIS software is activated, the Professional Standards Division will receive notification. The Professional Standards Division will review both the notification and the employee's file. After review, the Professional Standards Division will either report the issue to the Division Commander for further action or clear the flag if no policy violation was found.

a) If the Sheriff or Chief Deputy determine remedial action is justified, they have the option of, but are not limited to, the following:

(1) Remedial Training
(2) Enrollment in a Performance Improvement Plan
(3) Referral to the Employee Assistance Program
(4) Referral to a mental health professional
(5) Reassignment or transfer

D. Annual Evaluation

1. Annually, the Professional Standards Division Commander, or designee, will conduct an evaluation of the Early Intervention System to determine the systems effectiveness and if it meets the needs of the Sheriff's Office.

2. The results of this evaluation shall be documented in writing.
