CHAPTER TITLE GENERAL	RESOURCES N.R.S. 23-1717 AND 23-1719 FOP CONTRACT			
SUBJECT UNIFORMS AND EQUIPMENT	CROSS REFERENCE G-3400 UNIFORM DECORATIONS			

I. Purpose:

The purpose of this policy is to establish guidelines for obtaining and wearing uniforms.

II. Policy:

In accordance with Nebraska State Statutes 23-1717 and 23-1719, the Sheriff shall direct what the Sheriff's Office uniforms shall be and such insignia and ornamentation as required. To promote a professional appearance, uniforms shall be clean and in good condition. The uniform shall be worn at all times while on duty unless otherwise directed or approved by a command officer. Uniforms shall be worn in their entirety. Mandatory items shall be worn at all times and optional items may be worn at the employee's discretion. At no time shall an employee display any uniform, equipment or ornamentation not approved by the Sheriff or by policy. The uniform shall not be mixed with civilian clothing or other uniforms unless permitted by policy.

Lettering and badges on sworn employee uniforms shall be rank specific in color. Sworn personnel with the rank of deputy shall have silver lettering and badges, sworn personnel with the rank of sergeant and higher shall have gold lettering and badges. This shall apply to all uniform lettering unless a color is specified in the policy. All embroidery shall be done only at Sheriff's Office approved locations.

III. Procedures:

A. Issued Equipment:

1. The Sheriff's Office shall issue the following items to each sworn employee:

a) Three (3) "SCSO" badges displaying rank, a uniform shirt badge, a wallet badge, and a hat badge to be displayed on approved hats. Badges shall be gold in color for deputies with the rank of sergeant

or higher and silver for deputies. The deputy may have his or her serial number engraved on the badge.

b) Standard uniform decoration pins (see G-3400 Uniform Decorations).

c) One Level IIIA ballistic vest.

d) One can of Aerosol Subject Restraint.

e) One trigger lock for duty handgun (if purchased duty handgun does not come with a trigger lock).

f) CPR Mask.

g) Duty Road Bag.

h) Soft Tourniquet with holder.

2. Should an employee lose or destroy any of the above listed items, he or she shall be responsible for replacing the item, with identical equipment, or reimbursing the Sheriff's Office for the replacement cost of the item.

3. Upon separation from the Sheriff's Office, a sworn employee is responsible for the return of all of the above items.

B. **Replacement of Damaged Uniforms or Equipment:** The Sheriff's Office shall provide replacement articles as necessary for damage or loss of clothing or equipment or personal items occurring while in the performance of duties and determined to be necessary to the performance of the employee's duties. Requests for reimbursement shall be submitted in writing accompanied by proper documentation to the employee's division commander. Personal property claims will be reviewed by the Sheriff and will be paid or denied on the basis of reasonableness.

C. **Purchase of Uniforms or Equipment:** Sheriff's Office personnel are provided a uniform allowance to purchase and maintain uniforms and equipment. Purchase of new or replacement equipment must be made from the Authorized Uniform/Equipment List maintained by the Training Sergeant.

1. Changes to the Authorized Uniform/Equipment List shall only be made with the permission of the Sheriff or Chief Deputy.

2. Previously approved uniforms or equipment may continue in service until replacement is required unless specifically directed by policy or general order.

3. Employees wishing to have an item added to the Authorized Uniform/Equipment List shall submit a memorandum to the Training Sergeant describing the uniform/equipment, including manufacturer and model number. The employee may provide a testing and evaluation sample to the Training Sergeant for review.

a) The Training Sergeant shall notify the Professional Standards Unit Commander and the Chief Deputy regarding the request and the three shall determine if the uniform/equipment should be added.

b) The Training Sergeant may require the equipment be tested by an appropriate instructor (e.g. firearm, defensive tactics, etc.).

c) If the uniform/equipment is approved, the employee shall be notified and the appropriate Authorized Uniform/Equipment List shall be updated.

D. **Ballistic Vests:** All sworn personnel and Entry Level Security Officers (ESOs) shall be issued a ballistic vest. The following criteria shall apply to the purchasing and maintenance of ballistic vests.

1. Sworn personnel and ESOs may purchase their own ballistic vest under the following criteria:

a) Must be purchased from a reputable manufacture and approved by the Administration Division.

b) Must be Threat Level IIIA for sworn personnel and a Level II or higher for ESOs.

c) Must meet the National Institute of Justice (NIJ) .06 standard.

d) Maximum reimbursement up to $620.00 every five (5) years from the date of last issue.

e) Maximum reimbursement up to $800.00 for “fully-structured” female vest every five (5) years from the date of last issue.

2. Each uniformed deputy and ESO shall wear a ballistic vest, unless a waiver is granted by the deputy‘s division commander.

3. Uniformed jail deputies are required to wear their vest while outside the secure jail facility. Uniformed jail deputies may choose to remove their vest while inside the secure perimeter of the jail facility at their discretion. If deputies have a supplemental life insurance policy that provides coverage in the event of an on-duty death, it is the deputy’s responsibility to check with

the insurance carrier to ensure they are covered in the event they are not wearing their vest.

4. All sworn personnel, when on duty and not in uniform, shall have their ballistic vests readily accessible at all times. This vest shall be marked with "Sheriff" and "Sarpy County" patches and a badge if being worn on outside of shirt.

5. The exchange or loan of ballistic vests is forbidden, without the express permission of the Administrative Commander.

6. The Assistant Administrative Commander shall maintain a roster of vests issued, service life, and date of replacement.

E. **Commemorative Badges:** Anniversary badges may be worn from the time they are made available for purchase, until the next anniversary badge is created. Past anniversary, badges shall not be worn once a replacement anniversary badge has been made available.

F. **Velcro/PVC Badge:** Badges may be worn on approved uniform items including external vests, safety vest, jackets and hats in lieu of the metal sheriff's office badge. Velcro/PVC badges shall not be worn on Sheriff's office uniform shirts.
