		APPROVED: *GREG LONDON*		

CHAPTER TITLE GENERAL	RESOURCES
SUBJECT BLACK UTILITY/JAIL UNIFORM	CROSS REFERENCE

I. Purpose:

The purpose of this policy is to establish the guidelines for wearing the utility/jail uniform.

II. Policy:

The Sheriff's Office shall establish a utility/jail uniform consisting of black tactical shirts and pants. The utility/jail uniform shall be the uniform for personnel assigned to the Jail Division. This uniform may also be worn by deputies for special events or incidents if approved by the Sheriff or Chief Deputy.

III. Procedures:

A. Shirt:

1. A black short or long sleeved two pocket tactical shirt (with exposed buttons and epaulets) shall be worn with the following:

a) "SCSO" shoulder patches on each shoulder centered 1" below the shoulder seam (rank appropriate color).

b) An embroidered seven-point Sheriff's Office badge on the left breast (rank appropriate color).

c) First initial and last name shall be embroidered in ½" letters on the right breast (rank appropriate color). Name shall be all capital letters.

d) "SHERIFF" shall be embroidered on the back in 2" letters (rank appropriate color). The embroidery shall be centered between the right and left shoulder seams and 3" below the top seam.

e) Sergeant stripes, if applicable, shall be worn on each sleeve immediately below the "SCSO" patch.

f) Lieutenants and Captains shall wear rank insignia embroidered on the left and right collar, centered, at a 45-degree angle from the corner of the collar (see G-3311, shirt diagram B). Metal insignia shall not be worn on the Utility/Jail uniform.

2. A black undershirt, (short or long sleeved) shall be worn underneath the uniform shirt. The black undershirt shall be unadorned or have an approved Sheriff's Office motif.

3. A black turtleneck may be worn under the long sleeved uniform shirt. The turtleneck shall be black 100% cotton and worn under the uniform shirt. The collar of the turtleneck shall have "SHERIFF" stitched in silver thread 1" letters, beginning at the center point and going towards the left. The shirt may be a traditional turtleneck or a mock turtleneck. A dickey may also be worn with appropriate lettering.

B. Pants: Black tactical trousers shall be worn. The pants shall be worn with a black leather or nylon belt with no ornamentation.

C. Footwear:

1. Deputies shall wear black shoes or boots, leather toed with subdued black ornamentation or no ornamentation.

2. If shoes are worn, black or dark brown socks shall be worn.

3. Shoes or boots shall be clean, polished, and in good repair.

D. Hat:

1. Deputies dressed in the utility/jail uniform working a special event or attending training may wear a ball cap. The ball cap shall be a black ball cap and have an embroidered seven-point Sheriff's Office badge (rank appropriate color) on the front of the cap. The deputy's serial number may be embroidered on the back of the ball cap (rank appropriate color).

2. A black stocking cap with silver "Sheriff" in 1 ½" lettering embroidered on the front may be worn in inclement weather. The cap shall be worn so the lettering is always visible from the front.

3. Deputies shall not wear hats while working in the jail.

E. Coat:

1. A black MA-1 style flight jacket may be worn with the following:

a) "SCSO" shoulder patches on each shoulder centered 1" below the shoulder seam (rank appropriate color).

b) An embroidered seven-point Sheriff's Office badge on the left breast (rank appropriate color).

c) First initial and last name shall be embroidered in ½" letters on the right breast (rank appropriate color). Name shall be all capital letters.

F. Duty Belt and Equipment: Deputies wearing the utility/jail uniform shall wear a duty belt and equipment as described in the Road Patrol uniform policy (see G-3310 Road Patrol) when in public. The duty belt and cases may be black nylon/kydex. Deputies may not mix leather (basket weave) and nylon/kydex. Deputies choosing to wear nylon/kydex duty belts and equipment shall have all required equipment as specified in the Road Patrol uniform policy (G-3310 Road Patrol) and may have optional equipment as described in the same policy.
