CHAPTER TITLE GENERAL	RESOURCES NRS 28-1412
SUBJECT BACK-UP HANDGUNS	CROSS REFERENCE G-6100 USE OF FORCE G-8300 FIREARMS TRAINING AND QUALIFICATION

I. Purpose:

The purpose of this policy is to establish the guidelines for carrying and using back-up handguns.

II. Policy:

Sarpy County Sheriff's Office personnel, while on duty, are authorized to carry and use only those firearms that conform to the specifications and requirements set forth in policy. Rules pertaining to the use of firearms are contained in G-6100 Use of Force and in each authorized weapon policy. The authority to carry and use firearms for sworn personnel in the performance of duty is established in NRS 28-1412. No employee shall carry or use any firearm he or she is not authorized to carry or use nor shall any employee carry or use any firearm he or she is not trained to use.

III. Procedures:

A. Back-up Handgun Requirements:

1. **Caliber:** Back-up handguns shall be no less than .35 caliber (9mm) and no greater than .45 caliber.

2. **Brand:** Back-up handguns may be of any brand.

3. **Barrel Length:** The handgun shall have a barrel length no less than two (2) inches in length and shall not exceed six (6) inches in length.

4. **Capacity:** The handgun may be a revolver or semi-automatic pistol with an ammunition capacity of no less than five (5) rounds.

5. **Ammunition:** Must be documented and approved.

6. **Weapon Request Form:** Any deputy requesting to carry a new weapon shall fill out a Weapon Request form. This form will detail the review, inspection, approval, and registration process.

7. **Qualification:** The deputy shall complete a handgun qualification course monitored by a certified firearms instructor with a minimum qualifying score of 80% prior to carrying any back-up handgun. Deputies must also maintain a minimum qualifying score of 80% on all required handgun qualifications (see G-8300 Firearms Training and Qualification).

B. **Back-up Handgun Carry:** Deputies may, but are not required to, carry a back-up handgun. If carried, the back-up handgun shall be secured in a holster and concealed.

C. **Back-up Handgun Accessories:** No accessories may be added to, or modifications made to any back-up handgun without approval in writing from the Lead Firearms Instructor. The Sheriff shall be notified of all handgun modifications.

1. Magazines shall be original factory equipment only.

2. Magazines must conform to the listed capacity for the specific weapon.
