CHAPTER TITLE GENERAL	RESOURCES			
SUBJECT SICK BANK	CROSS REFERENCE FOP CONTRACT G-7100 SICK LEAVE			

I. Purpose:

The purpose of this policy is to establish the guidelines for the administration of the Sheriff's Employee Sick Bank.

II. Policy:

The Sick Bank has been established by Fraternal Order of Police (FOP) Lodge #3 collective bargaining agreements. According to these contracts, Sheriff's Office employees may become members of the Sheriff's Employee Sick Bank upon donating ten (10) hours of sick leave. The agreements also designate a panel of two (2) representatives appointed by the Sheriff and two (2) representatives appointed by the FOP shall form a Board to grant hours from the Sick Bank. This board is granted authority to promulgate policies and procedures for the administration of the fund. This policy serves as the record of those policies and procedures. The policies and procedures herein are agreed to by the Sick Bank Board and are subject to change upon a majority vote of the Sick Bank Board. The Assistant Administration Commander will maintain the list of current Sick Bank Board members. This policy is subject to change based on the collective bargaining agreement.

III. Procedure:

A. Application for Membership to the Sick Bank

1. Employees may join the Sick Bank at the time of hiring, or upon written request to the Sick Bank Board.

a) The Application to join the Sick Bank can be obtained from the Administrative Operations Manager of the Sheriff's Office.

2. Upon joining the Sick Bank, ten (10) hours of sick leave will be deducted from an employee's personal sick leave bank over a two (2) month period.

3. Pursuant to a meeting of the Sick Bank Board on January 6, 1988, as a result of the accumulation of 3,400 hours in the Sick Bank, the Board instilled a “freeze” of sick hour contributions from members beyond their initial deposit of ten (10) hours.

B. Requests to the Sick Bank

1. Employees who desire to apply for hours from the sick bank must send an email or memorandum to SheriffSickBank@sarpy.gov with an explanation of the illness or injury that prompted the request.

a) The request should be made as soon as an employee is aware of the necessity to apply for hours from the sick bank.

b) The requesting employee may only apply for use of the Sick Bank once all personal sick leave and compensatory time has been expended.

2. The Sick Bank Board will convene within seven (7) business days of the request to discuss the request and make a determination.

a) All applications for borrowing from the sick bank will be considered on a case-by-case basis.

b) All decisions made by the Sick Bank Board are final.

c) There are no appeal processes for decisions made by the Sick Bank Board.

3. The sick leave granted by the Sick Bank Board will be distributed in no more than eighty (80) hours at a time.

a) The Sick Bank Board may vote to override this rule.

4. An employee may re-apply for additional hours beyond the eighty (80) hours approved by the Sick Bank Board.

C. Repayment of Borrowed Sick Leave

1. Sick leave will be paid back to the Sick Bank by full-time employees at the rate of five (5) hours per month until the borrowed hours are paid back.

a) Employees may choose to pay hours back at a higher rate if the request is made in writing to the Administrative Operations Manager.

2. Sick leave will be paid back to the Sick Bank by part-time employes at the rate of one-half (1/2) the sick leave hours earned each pay period until the borrowed hours are paid back.

a) Employees may choose to pay hours back at a higher rate if the request is made in writing to the Administrative Operations Manager.

3. If a member's employment ends before the hours are paid back in full, any accumulated sick hours belonging to that employee will be transferred to the sick bank to repay the indebted amount.

a) Any sick leave that remains after full repayment to the Sick Bank has occurred will be treated as remaining sick leave in the employee's personal bank, which is subject to the rules of collective bargaining agreements.

D. Separation from the Sheriff's Office

1. Upon separation of the Sheriff's Office, the employee shall receive their initial deposit to join the Sick Bank back into their personal sick leave bank.

E. Sick Bank Rules and Regulations

1. The Sick Bank Board has developed the rules and regulations contained within this policy.

2. The Sick Bank Board may choose to change rules and regulations upon a majority vote of the Sick Bank Board.

3. In the event the Sick Bank becomes depleted in hours available, new provisions or rules may be made and voted upon by the Sick Bank Board to fund the Sick Bank.
