a) If an employee becomes ill while at training or must miss training for any other reason, he or she shall notify the Training Sergeant as soon as possible. Failure to notify the Training Sergeant prior to missing scheduled training may result in disciplinary action.

2. Employees attending training (other than in-house training) on a regular duty day shall submit an electronic leave request for the training.

5. Unless directed otherwise, employees attending training shall adhere to the dress and attire standards established by policy (see G-3200 Dress and Attire and G-3320 Utility/Jail Uniform). Juvenile Services employees shall adhere to G-3200 Dress and Attire and JS-3600 Uniform-Training Uniform.

6. Within five (5) work days after attending scheduled training, employees shall submit to the Training Sergeant any certificates received for attending the training.
