CHAPTER TITLE GENERAL	RESOURCES			
SUBJECT ANNUAL In-Service TRAINING AND POLICY REVIEW		CROSS REFERENCE N.R.S. 81-1414.07		

I. Purpose:

The purpose of this policy is to establish the guidelines for annual training and policy review.

II. Policy:

The Sarpy County Sheriff's Office recognizes the importance of continuing training in critical areas of its operations. In-service training shall be offered on a predetermined basis to ensure that employees remain current in such areas. Employees shall also be required to review essential policies on an annual basis to ensure compliance. In-service training may be added or deleted subject to need or budgetary constraints. All sworn employees are required to complete Thirty-Two (32) hours of in-service training annually. This training shall include two (2) hours of anti-bias and implicit bias training and legal updates to maintain their State of Nebraska Law Enforcement Certification and comply with N.R.S. 81-1414.07. It shall be the responsibility of the employee to keep track of the number of training hours received each calendar year.

III. Definitions:

A. In Person In-Service Training: Training, planned and provided by the Sheriff's Office Training Cadre, to Sheriff's Office personnel, in cooperation with the Training Unit, designed to continually develop personnel while they are actively working in their roles. Auxiliary Unit training is not in-service training for the purposes of this policy.

B. Digital In-Service Training: In-Service Training that is completed online and through a third-party vendor i.e., Substance Abuse, Mental Health, De-Escalation, Anti-bias, and Officer Wellness Training.

C. Training Cadre: Sheriff's Office personnel identified, selected, and trained to deliver in-service training outlined in this policy. Training cadre members shall attend an approved instructor development course prior to being designated to design training as outlined in Section IV. of this policy.

IV. **Procedure:** All in-service training that is not a policy review, completely digital, or a legal update, shall be coordinated through the Professional Standards Training Unit. The lead trainer for the topic shall designate a training cadre member to design the training. The Training Cadre member shall adhere to the following procedure:

a) Complete a written lesson plan for the designated training and submit it to the Training Deputy for review no less than 14 calendar days prior to the first training day. The lesson plan shall include the following: The training's goal statement
b) The training's learning objectives
c) The training evolution
d) Inclusion of training scenarios is at the discretion of the lead trainer.

2. The Training Unit shall publish the lesson plan via email to the personnel to be trained no less than 7 calendar days prior to the first training day.

A. **Initial Training:** The following training shall be provided and documented:

1. First Responder: All newly hired deputies shall complete this course prior to attending the Sarpy-Douglas Law Enforcement Academy.

2. Mental Health Training: All Sheriff's Office Employees who may have contact with the public will receive training, appropriate to their position, on interacting with individuals who may be suffering from mental health issues.

3. All employees shall receive information regarding the CALEA accreditation process within thirty (30) days after their employment begins or within thirty (30) days after completing the academy.

B. **Annual Training:** The following training courses shall be provided by the Sarpy County Sheriff's Office on an annual basis and shall be documented.

1. Lethal Weapons - Firearms: All sworn employees shall complete required firearms qualifications at least annually, for any weapon they are authorized to use, according to policy (see G-8300 Firearms Training and Qualification). Firearms training sessions may include scenario training with the use of weapons simulators (i.e., simunitions).

2. Electronic Controlled Weapons – TASERS and Electronic Restraint Devices: All sworn employees shall complete training at least annually on all Electronic Controlled Weapons they are authorized to use.

3. Defensive Tactics: All sworn employees and designated Juvenile Justice Employees.

4. All Hazards Training: Critical incident training, for affected employees, shall include training regarding the agency's All Hazards Plan and the Federal Emergency Management Agency (FEMA) Incident Command System (ICS).

5. Anti-Bias and Implicit Bias Training -Two (2) hours of anti-bias and implicit bias training.

6. Mental Health Refresher Training: All Sheriff's Office employees who may have contact with the public shall receive refresher training, appropriate to his or her position, on interacting with individuals who may be suffering from mental health issues.

C. **Biennial Training:** The following training courses shall be provided by the Sarpy County Sheriff's Office every two (2) years and shall be documented.

1. CPR/AED: All sworn and designated non-sworn employees shall complete this course every two (2) years.

2. Active Shooter Response.

3. Ethics Training: All Sheriff's Office employees shall receive biennial instruction related to their position, responsibilities, and duties.

4. Less Lethal Weapons – Less lethal shotgun, pepper ball launchers, baton, O.C. spray: All employees shall receive biennial training on any less lethal weapon they are authorized to use.

5. All Hazards Plan Training: Full scale or tabletop training to assess the agency's critical incident capabilities regarding the All-Hazards Plan and Incident Command System.

D. **Annual Policy Review:** Supervisors and command officers shall be responsible for ensuring subordinates review assigned policies. Policies are consistent with the positions held and the function performed. The following policies shall be reviewed every year. Employees shall acknowledge review of the policies by signing a Policy Acknowledgement form to be maintained by the Policy Administrator.
