CHAPTER TITLE GENERAL		RESOURCES		
SUBJECT COMMAND STAFF NOTIFICATION		CROSS REFERENCE		

I. Purpose:

The purpose of this policy is to establish the requirements for the notification of command staff.

II. Policy:

Supervisors are required to notify command staff regarding incidents of importance that occur within the county, to include incidents where there may be questions as to the agency's liability or those which may result in heightened community interest. The primary point of contact for required incidents during normal business hours (Monday through Friday 0800-1645 hours), shall be the ADC. Outside of normal business hours, the on-duty watch commander shall be the primary point of contact. Once the on-duty watch commander is notified, it shall be his or her responsibility to notify the ADC of any required incident. If there is no on-duty watch commander, the ADC shall be notified.

III. Procedure:

A. Notification Procedures: Sheriff's Office supervisors shall ensure that the on-duty watch commander or ADC is aware of any major incident arising in the county. Supervisors shall adhere to the following procedures:

1. During normal business hours (Monday through Friday, 0800 -1645 hours) the ADC shall be notified as soon as possible regarding any major incident. The shift supervisor shall advise Communications once the ADC has been notified. If the supervisor is unable to make contact with the ADC, then the supervisor shall request Communications attempt to contact the ADC until contact is made.

2. The on-duty watch commander shall be notified of any major incidents taking place outside of normal business hours. The on-duty watch commander shall be responsible for notifying the ADC.

If there is no on-duty watch commander, the ADC shall be notified.
