CHAPTER TITLE INVESTIGATIONS: NARCOTICS K9	RESOURCES			
SUBJECT NARCOTICS K-9 HANDLER		CROSS REFERENCE P-6500 K-9 UNIT SELECTION AND TRAINING		

I. Purpose:

The purpose of this policy is to establish the specific responsibilities for the position of Narcotics Unit K-9 handler.

II. Policy:

A. The narcotics unit K-9 handler(s) shall be responsible for, but not limited to, the following:

1. The narcotics K-9 handler and his or her K-9 shall perform training each month, generally this shall be at least sixteen (16) hours per month.

2. The narcotics K-9 handler shall complete a monthly/annual performance/training evaluation regarding his or her K-9 and maintain records of each performance/ training evaluation. The narcotics K-9 handler shall document and complete training records.

3. The narcotics K-9 handler shall complete a detailed summary of all narcotics K-9 involved incidents (e.g., drug seizures, searches, etc.)

4. The narcotics K-9 handler shall complete a K-9 Deployment Form each time the narcotics K-9 is deployed. A copy of each Deployment Form shall be maintained by the handler.

5. The narcotics K-9 handler shall provide veterinary care for the K-9 and forward medical records and reports to their supervisor as necessary.

6. The narcotics K-9 handler shall perform community service functions and demonstrations as requested by investigations command staff.

7. The narcotics K-9 handler, when not performing narcotics K-9 assignments as part of the Sarpy County Sheriff's Office Narcotics Unit or Omaha Metro Drug Task Force, may conduct patrol and traffic enforcement activities.

8. The narcotics K-9 handler shall immediately report any problem or performance issue regarding his or her assigned K-9 to their immediate supervisor.

9. The narcotics K-9 handler shall maintain control over his or her assigned K-9 at all times, on and off duty.

10. The primary role of the narcotics K-9 handler shall be narcotics interdiction as a member of the Sarpy County Sheriff's Office Narcotics Unit and Omaha Metro Drug Task Force. The narcotics K-9 handler may assist other Sheriff's Office units and metro agencies with narcotics interdiction when feasible.
