CHAPTER TITLE INVESTIGATIONS DIVISION: WARRANTS AND EXTRADITION UNIT	RESOURCES			
SUBJECT EXTRADITION PROCEDURES	CROSS-REFERENCE G-6310 ELECTRONIC RESTRAINTS SS-3600 INMATE TRANSPORTATION			

I. Purpose:

The purpose of this policy is to establish guidelines for conducting extraditions.

II. Policy:

The Sarpy County Sheriff's Office Warrants and Extradition Unit (WEU) shall be responsible for arranging and completing all extraditions of Sarpy County fugitives located in other states. The WEU Supervisor shall be responsible for ensuring that all incoming extraditions are completed as safely and efficiently as possible. The Court Services Unit shall be responsible for arranging for outgoing extraditions of fugitives back to the demanding states.

III. Procedure:

A. Incoming Extraditions of Sarpy Fugitives: When notified of a Sarpy County fugitive taken into custody in another state, the WEU shall conduct the following:

1. Contact the Sarpy County Attorney's Office to verify that Sarpy County will extradite the fugitive.

2. Contact the agency that has custody of the fugitive and gather information for the Incoming Extradition packet.

3. If the fugitive has waived extradition and does not have local charges, a pickup date shall be scheduled with the holding agency.

4. If the fugitive refuses to waive extradition, the Sarpy County Attorney's Office shall be notified to begin the Governor's Warrant process.

5. An Extradition Worksheet shall be completed to determine the most cost-effective means of transporting the fugitive when flying or using a contract transport company. The Extradition Worksheet shall be reviewed and signed by the Investigations Commander or designee.

6. After approval by the Investigations Commander or designee, travel arrangements shall be completed including booking flights, hotels, etc.

7. Upon completion of the extradition, a copy of the Incoming Extradition packet and all related bills and/or receipts shall be forwarded to the Investigations Commander or designee. The WEU shall also maintain a copy. The original Incoming Extradition packet and all original bills and/or receipts shall be forwarded to the Accounts Payable Clerk. The Accounts Payable Clerk shall pay any outstanding bills and forward the originals to the Administrative Commander.

B. **Extradition Procedures (Ground Transportation):** Deputies conducting out-of-state, ground transportation shall conduct the following: (See SS-3600 Inmate Transportation.)

1. The fugitive shall be by the transporting deputy, prior to being transported. If the fugitive is of the opposite sex of the transporting deputy, the deputy shall request the holding agency to search the fugitive.

2. The fugitive shall be restrained using handcuffs and a transport belt or chain. The fugitive shall also be required to wear leg shackles. Additional restraints may be approved by the WEU supervisor. (See G-6310 Electronic Restraints).

C. **Extradition Procedures (Air Travel):** Only deputies who have completed TSA training shall participate in an extradition utilizing commercial air travel. A list of TSA certified deputies shall maintained by the WEU Sergeant.

1. The deputies shall obtain a copy of the warrant, a copy of the extradition waiver, a photograph of the fugitive, a Sheriff's Office Authorization Letter, a Sheriff's Office Credit Card, contact information for the holding agency, detailed route information (maps) and a complete itinerary including flights, hotels, and rental car information.

2. Deputies shall carry an authorized duty weapon while performing an extradition.

3. Weapons shall remain covered/concealed at all times and deputies shall not call attention to themselves or to the fact that they are armed.

4. Generally, deputies shall not wear clothing that would readily identify them as law enforcement officers, but shall carry official identification and shall dress in a manner that does not bring disrepute to the Sheriff's Office.

5. Upon arrival at the airport, deputies shall notify the airlines and any appropriate security personnel that they are armed law enforcement officers and shall complete the appropriate paper work.

6. Fugitives shall be restrained using handcuffs and a transport belt. Leg shackles and additional restraints may be used as authorized by the WEU supervisor (see G-6310 Electronic Restraints).

7. Deputies shall make an effort to conceal methods of restraints used on transported fugitives (i.e. jacket placed over fugitive's cuffed hands).

8. Deputies shall move through airports and board and disembark planes as directed by airline personnel and/or security personnel.

9. Deputies shall closely monitor fugitives at all time. Fugitives should be isolated from other travelers as much as possible.

D. **Personal Travel:** Deputies who wish to combine personal travel with an extradition must first obtain written approval from the Sheriff or Chief Deputy.

1. Expenses for personal trips taken in conjunction with an extradition shall not be charged on a Sheriff's Office credit card. Any lodging or travel expenses incurred outside the immediate area in which the inmate is being held shall be at the expense of the deputy.

2. For purpose of this policy, a personal trip shall be defined as any unofficial travel outside the jurisdictional area in which the inmate is being held.

3. To obtain approval, the deputy shall submit a memorandum to the Sheriff through the WEU Supervisor and Investigations Commander detailing the requested personal travel.

4. Under no circumstances shall personal travel be conducted once the deputy(s) has assumed custody of the fugitive.
