18. Other districts may be assigned for special assignments.

C. The districts 303, 323, 515, 525, 606, and 656 are the priority districts to be assigned for each shift. Districts 656 should be assigned each shift and may be covered for four (4) cumulative hours encompassing Springfield City Limits by another district or supervisor during exceptional circumstances if staffing does not allow for a dedicated 656 assigned deputy for the duration of the duty shift (i.e. sick call, funeral leave, IOD/LTD). This situation shall be the exception and not routinely utilized with the primary purpose to grant training time, accommodate vacation requests, compensatory time requests, or flex time. The 505, 454, and 353 district will be assigned only if manpower permits and at the discretion of the shift supervisor.

D. **Contract Law Enforcement**: Under authority provided by State Statute (N.R.S. 23-1710), the Sheriff, at his discretion, may enter into contractual agreements with incorporated political subdivisions within the County for the purposes of providing law enforcement services. In the event that such contract(s) are executed, it shall be the duty of all Sheriff Office employees to carry out to the fullest their individual responsibilities while acting under the provisions of the contract. These responsibilities shall include enforcement of state laws and local ordinances, and providing all other regular and otherwise assigned law enforcement activities.
