## I. Purpose

The purpose of this policy is to establish guidelines for road patrol supervisors regarding conducting roll call.

## II. Policy

Deputies assigned to the road patrol shall report to the assembly room fifteen (15) minutes prior to the beginning of each shift. This roll call time shall provide the shift supervisor an opportunity to complete administrative duties prior to the deputies leaving the Sarpy County Sheriff's Office to patrol their assigned districts. Deputies shall be compensated for the early arrival time in conjunction with their ETO's.

## III. Definitions

### Early Time Off:

Employees assigned to a twelve (12) hour shift are scheduled to work eighty-four hours during a pay period. In order to reduce the amount of overtime paid by the county, the Sheriff's Office has instituted Early Time Off (ETO). An ETO is assigned once during a pay period, per employee, by a shift supervisor to bring the number of hours worked by an employee to eighty (80). The assigned ETO shall be six (6) hours per pay period to account for the four (4) hours scheduled over eighty (80), as well as the total toll call time per pay period. In the event that an employee is unable to take an ETO, the six (6) hour ETO shall be compensated at time and a half.

## IV. Procedure

**A.** Shift supervisors are responsible for the following at roll call:

**1.** The shift supervisor shall inspect the deputies under his or her command for:

**a)** General Appearance
**b)** Uniform

**2.** The shift supervisor shall assign each deputy to a district.

**3.** The shift supervisor shall brief deputies on matters concerning the upcoming tour of duty, including information from the prior shift.

**4.** The shift supervisor shall ensure all of the automated external defibrillators (A.E.D.s) are assigned.

**5.** The shift supervisor shall make any special assignments.

**6.** The shift supervisor shall assign house watches (see P-4300)

**7.** The shift supervisor shall assure that any training is scheduled and communicated to the deputies.

**8.** The shift supervisor shall complete the roll call and roster forms. The forms must be accurate and must be updated if any of the required information changes during the shift. The required information shall include:

**a)** All on-duty deputies and their assigned districts.

**b)** The patrol unit assigned to each deputy for that tour of duty.

**c)** All on-duty deputies receiving overtime.

**d)** The ADC and on-call investigator.

**e)** All off-duty deputies including reason for absence.

**f)** If two deputies have traded shifts, both deputies shall be listed on the roster with a notation of the trade made in the reason for absence section.

**g)** All back-up weapons.

**h)** All Tasers and patrol rifles.

**9.** The shift supervisor shall distribute the roster and roll call forms to Communications.

**10.** Equipment Sign Out and Inventory:

**a)** Deputies shall ensure that any equipment taken from the Patrol Storage Room, that was not entered on the daily roll call form, is signed out on the Patrol Storage Sign Out Sheet.

**b)** The Road Patrol A Shift supervisors shall be responsible for completing a Patrol Storage Monthly Inventory. The most recent completed inventory sheet shall be left on the clip board in the Patrol Storage Room. The inventory sheet from the prior month will then be submitted to Records for scanning.
